| Gist of the event      | <p><b>Objective:</b> To provide students with a hands-on opportunity to explore, test, and refine a proposed concept or system in a simulated environment. This event encourages active participation, critical thinking, and collaborative feedback, helping students understand real-world applications, identify areas for improvement, and contribute meaningfully to the final design.</p> <p><b>Event Format:</b></p> <ul style="list-style-type: none"><li>• <b>Single Round</b></li><li>• Each team presents a <b>PowerPoint about prototype</b> to a given problem statement</li><li>• Time limit: <b>8–10 minutes per team</b>, followed by a brief Q&amp;A</li></ul> <p><b>Problem Theme:</b></p> <ul style="list-style-type: none"><li>• Emphasizes the iterative nature of prototyping and student empowerment in shaping the final product.</li><li>• Frames the prototype as a glimpse into future possibilities, inviting students to help shape what comes next.</li></ul> <p><b>Judging Criteria:</b></p> <ul style="list-style-type: none"><li>• Concept Clarity &amp; Purpose</li><li>• Functionality &amp; Usability</li><li>• Creativity &amp; Innovation</li></ul> <p><b>Outcome:</b></p> <ul style="list-style-type: none"><li>• A deeper understanding of the prototype’s strengths and limitations</li><li>• Actionable insights from student perspectives to improve design and usability</li></ul> |  |
| Participants Feedback  | A dynamic and student-centred mock prototype event designed to foster creativity, collaboration, and critical thinking.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |  |

**Faculty Incharge:**

Mrs.M.Surya, AP/AI&DS  
Mrs.T.Thenmozhi, AP/AI&DS

**Dr.R.Deepalakshmi**  
**HoD/AI&DS**

# SRM MADURAI

## COLLEGE FOR ENGINEERING AND TECHNOLOGY

Approved by AICTE, New Delhi | Affiliated to Anna University, Chennai

COLLEGE CODE : 9111      COUNSELLING CODE : 5842

**DEPARTMENT OF ARTIFICIAL INTELLIGENCE & DATA SCIENCE**  
In Association with CLUB "BRAINS"

Warmly welcomes the empowering innovators of the 2<sup>nd</sup> and 3<sup>rd</sup> year

For 2<sup>nd</sup> Year AI&DS  
Students

### Mock Prototype

( Visualizing Ideas Before Building )

**FACULTY COORDINATORS**  
MRS. H. SURYA / AP, AI&DS  
MRS. T. THENMOZHI / AP, AI&DS

**STUDENT COORDINATORS**  
SHRI VINOD / 2<sup>nd</sup> YR AI&DS  
KIRTHIGA / 2<sup>nd</sup> YR AI&DS

📍 CLASSROOM 106 & 107

For 3<sup>rd</sup> Year AI&DS  
Students

### Prototype Sprint

( Build, Test, Improve )

**FACULTY COORDINATORS**  
MRS. A. DEEPIKA / AP, AI&DS  
MRS. V. PAVITHRA / AP, AI&DS

**STUDENT COORDINATORS**  
SIDHANTHAN / 3<sup>rd</sup> YR AI&DS  
AGARSHAL ISAI GEORGE / 3<sup>rd</sup> YR AI&DS

📍 CLASSROOM 101 &  
AI BUILDER LAB
